

HORIZONTAL BABY CHANGING UNIT

Horizontal baby changing unit

The unique hinge construction eliminates finger traps even during opening and closing. The hinge rotates within the enclosed moulding eliminating exposure to moving parts.

Extra deep barriers provide natural protection.

This intrinsic safety feature eliminates the uncertainty involved in the use of straps. Easy to install with fixing kit

Unit dimensions

See enclosed drawing

Horizontal baby change unit

Code: CBSMH42

Colour: WHITE FLECK or OATMEAL

Width: 760 mm

Height: 585 mm

Depth: 540 mm

Weight: 11.5 kg

Price: P.O.A
