

STAINLESS STEEL NAPPY CHANGING UNIT - SURFACE MOUNT

Stainless steel nappy change

The unique hinge construction eliminates finger traps even during opening and closing. The superior integral strength of this unit makes it ideal for unattended public areas.

The specially configured barriers eliminate the uncertainty involved in the use of straps. The unit is easy to install with fixing kit and template.

Unit dimensions

Stainless steel nappy changing unit - recessed

Code: CBSMC75

Colour: Stainless steel

Width: 300 mm

Height: 480 mm

Depth: 310 mm

Projection: 145 mm

Weight: 17 kg

Price: P.O.A

Size: 300 x 480 x 165 mm

Material

Stainless steel 1.4301 DP2 with reinforced cast Aluminium hinge system, dual hydro-pneumatic Gas strut closing mechanism

Projection

Folded down = 615mm
